

Installer - Bug #15122

Installer percentage indicator appears not to work with Puppet 4+

05/22/2016 08:43 AM - Peter Souter

| Description | |
| Using nightlies, when running the foreman-installer, no loading bar percentage comes up on install. | |
| I'm assuming this is due to changes in catalog compilation in 4? Although I guess it could also be a regression on the develop branch... | |
