#### Description

Hi All,

I need assistance on foreman upgrade to latest release.  
Our server's are running on Foreman 1.9.3 Ver which is very old, Can be upgraded the Foreman Ver to latest release without any downtime or impact to production. for any suggestion/feedback would really appreciate you.

Hello, Foreman cannot be upgraded without any downtime, no. There are commercial companies and individual consultants around if you want to take "do it for me" approach. Our RedMine is for tracking individual problems, bugs or features. For more specific inquiries please use our community forum, thanks.
