<b>Pull request:</b>	
<b>Description</b>	
<p>The external_node_v2.rb.erb script with --push-facts will never create a "cache" file under yml/foreman/ to remember the last time it pushed the host facts to foreman, which will result in all puppetmaster needlessly sending all host facts every time this script is run (with --push-facts parameter).</p> <p>Calling the cache function after sending the request fixes this, because the check for the mtime of the cache file is already in place.</p> <p><a href="https://github.com/theforeman/puppet-foreman/pull/118">https://github.com/theforeman/puppet-foreman/pull/118</a></p>	

#### Associated revisions

##### Revision 41fa7ebd - 10/21/2013 10:07 AM - Andreas Paul

fixes #3262 - actually create "cache" file to save the time of the last host facts push

#### History

##### #1 - 10/15/2013 05:12 PM - Dominic Cleal

- Project changed from Foreman to Installer
- Category changed from Importers to Foreman modules
- Status changed from New to Ready For Testing

##### #2 - 10/16/2013 03:10 PM - Greg Sutcliffe

- translation missing: en.field\_release set to 1

##### #3 - 10/16/2013 03:17 PM - Greg Sutcliffe

- Target version deleted (1.3.1)

##### #4 - 10/16/2013 03:21 PM - Greg Sutcliffe

- Target version set to 1.15.0

##### #5 - 10/22/2013 06:53 PM - Andreas Paul

- Status changed from Ready For Testing to Closed
- % Done changed from 0 to 100
