

## Foreman - Issues

| #     | Tracker  | Status | Priority | Subject  | Author                     | Assignee | Updated             | Category           | Target version |
|-------|----------|--------|----------|--|----------------------------|----------|---------------------|--------------------|----------------|
| 37438 | Bug      | New    | Normal   | renaming a node does not change its certname   | Daniel Helgenberger        |          | 05/11/2024 12:00 PM | Puppet integration |                |
| 35784 | Bug      | New    | Normal   | Changing puppet master for multiple hosts  | Gerald Vogt                |          | 11/29/2022 05:05 PM | Puppet integration |                |
| 33064 | Bug      | New    | Normal   | Importing Puppet classes fails with Failed to create Puppetclass: Environment can't be blank                                     | Ewoud Kohl van Wijngaarden |          | 07/29/2021 10:24 AM | Puppet integration |                |
| 33063 | Bug      | New    | Normal   | Header in Configure menu item is 'Puppet ENC' but should be 'Puppet'   | Ewoud Kohl van Wijngaarden |          | 07/20/2021 01:01 PM | Puppet integration |                |
| 32615 | Refactor | New    | Normal   | Extract PuppetProxy and PuppetCAProxy  | Ondřej Ezr                 |          | 05/17/2021 09:41 PM | Puppet integration |                |
| 32194 | Bug      | New    | Normal   | Preseed Finish template tries to configure Puppet-Service without Systemd  | Dennis Plöger              |          | 03/29/2021 01:06 PM | Puppet integration |                |
| 31916 | Bug      | New    | Normal   | Puppet environment is not created from Foreman UI  | Ondřej Pražák              |          | 09/23/2021 12:20 PM | Puppet integration |                |
| 30160 | Tracker  | New    | Normal   | Extract Puppet ENC to a plugin   | Ondřej Ezr                 |          | 11/01/2021 02:01 PM | Puppet integration |                |
| 29705 | Bug      | New    | Normal   | Not able to modify smart class parameters inside host and host group.  | Denys Kyrii                |          | 06/02/2020 01:54 PM | Puppet integration |                |
| 29431 | Tracker  | New    | Normal   | Making puppet optional   | Tomer Brisker              |          | 03/29/2020 07:28 PM | Puppet integration |                |
| 27571 | Bug      | New    | Normal   | 'Reset Puppet Environment' on host tab clears Partition Table on Operating System tab  | Marek Hulán                |          | 04/22/2021 09:13 AM | Puppet integration |                |
| 26576 | Bug      | New    | Normal   | Puppet class parameter type ignored if Boolean=false, ignores updates  | Jacek Mierzwa              |          | 04/10/2019 12:55 PM | Puppet integration |                |
| 25868 | Bug      | New    | Normal   | The result of config_group.hosts is always empty   | Ondřej Pražák              |          | 01/05/2020 03:20 PM | Puppet integration |                |
| 25461 | Feature  | New    | Low      | Send Puppet facts without compiling a catalog  | Ondřej Pražák              |          | 11/14/2018 12:24 PM | Puppet integration |                |
| 25103 | Bug      | New    | Normal   | Host-Parameter get lost on puppet environment change   | Babiel GmbH                |          | 11/16/2018 08:20 AM | Puppet integration |                |
| 24164 | Bug      | New    | Normal   | Move ignored_environments.yml to /etc/foreman  | Dirk Götz                  |          | 06/16/2023 03:15 PM | Puppet integration |                |
| 23941 | Support  | New    | Normal   | Smart Proxy on existing puppet enterprise won't start  | Laurent Borgognon          |          | 06/14/2018 02:59 PM | Puppet integration |                |
| 23824 | Bug      | New    | Normal   | hammer/foreman not following Var paths and then getting datatype of var goes wrong and u get a wierd string instead of a Boolean | Stephen Cooke              |          | 06/06/2018 09:04 AM | Puppet integration |                |
| 23703 | Feature  | New    | Normal   | UI Button *Create Puppet Environment* should be removed  | Ondřej Pražák              |          | 09/16/2018 01:23 AM | Puppet integration |                |
| 23482 | Bug      | New    | Low      | puppetrun ssh provider does not work without sudo because foreman-proxy user does not have SHELL environment variable            | Anonymous                  |          | 05/10/2018 09:38 PM | Puppet integration |                |
| 22593 | Feature  | New    | Normal   | Provide better feedback for Puppet class import, especially for broken classes   | Ondřej Pražák              |          | 02/15/2018 12:23 PM | Puppet integration |                |
| 22536 | Bug      | New    | Normal   | Discovered hosts erase Puppet Master and Puppet CA upon edit   | Jeff Sparrow               |          | 02/26/2018 02:07 PM | Puppet integration |                |

| #     | Tracker  | Status | Priority | Subject  | Author               | Assignee | Updated             | Category           | Target version |
|-------|----------|--------|----------|--|----------------------|----------|---------------------|--------------------|----------------|
| 22400 | Feature  | New    | Normal   | Need to automate the manual steps required to upgrade the client.  | Ondřej Pražák        |          | 01/24/2018 09:58 AM | Puppet integration |                |
| 22213 | Feature  | New    | Normal   | Set correct primary interface for hosts created from facts   | Ondřej Pražák        |          | 01/10/2018 10:53 AM | Puppet integration |                |
| 21516 | Feature  | New    | Normal   | Comments in ENC YAML output to know how parameters were chosen   | Ondřej Pražák        |          | 09/24/2018 07:23 PM | Puppet integration |                |
| 21391 | Feature  | New    | Normal   | Client's puppet.conf environment variable should be updated if the Web Interface changes the puppet environment for the Host Group | Ondřej Pražák        |          | 10/24/2017 06:36 AM | Puppet integration |                |
| 21303 | Bug      | New    | Normal   | foreman can't able to submit requests to puppetdb after upgrade  | Bhanu Prasad Ganguru |          | 10/11/2017 12:12 PM | Puppet integration |                |
| 21247 | Bug      | New    | Normal   | Browsing capsule puppet environments, clicking on 'number of classes' display incorrect result                                     | Ondřej Pražák        |          | 07/10/2018 02:33 PM | Puppet integration |                |
| 21227 | Bug      | New    | Normal   | Puppet run fails when puppet environment name is modified using webui.   | Ondřej Pražák        |          | 07/10/2018 02:33 PM | Puppet integration |                |
| 21115 | Bug      | New    | Normal   | Import classes\environments suggests add\remove based on results from target capsule   | Ondřej Pražák        |          | 07/10/2018 02:33 PM | Puppet integration |                |
| 20769 | Bug      | New    | Normal   | Changed default of Puppet parameter not visible on smart parameter edit page   | Sebastian Gräßl      |          | 08/29/2017 01:56 AM | Puppet integration |                |
| 20686 | Feature  | New    | Normal   | Include splay in puppet configuration for clients  | Ondřej Pražák        |          | 08/22/2017 04:09 AM | Puppet integration |                |
| 20684 | Feature  | New    | Normal   | Official module for configuring puppet clients   | Ondřej Pražák        |          | 08/22/2017 05:10 AM | Puppet integration |                |
| 20677 | Feature  | New    | Normal   | Allow satellite to create a stored puppet catalog for itself   | Ondřej Pražák        |          | 07/10/2018 02:33 PM | Puppet integration |                |
| 20195 | Bug      | New    | Normal   | Puppet class "profile::puppet" leads to errors when using ignored_environments   | Oliver Freyermuth    |          | 11/02/2017 03:26 PM | Puppet integration |                |
| 18564 | Bug      | New    | Normal   | Class parameters using module data defaults should not have override enabled on import   | Dominic Cleal        |          | 02/20/2017 08:19 AM | Puppet integration |                |
| 18553 | Feature  | New    | Normal   | Set Puppet 4/5 data types during class import  | Ben Kevan            |          | 08/07/2018 09:04 AM | Puppet integration |                |
| 18350 | Refactor | New    | Normal   | Refactor Puppet Hostgroup fields to Pagelets   | Shimon Shtein        |          | 11/15/2017 01:10 PM | Puppet integration |                |
| 18297 | Feature  | New    | Normal   | as a user, I would like to see the puppet version used under the smart proxies page  | Ohad Levy            |          | 01/29/2017 07:45 AM | Puppet integration |                |
| 18161 | Feature  | New    | Normal   | Breakdown of inherited classes by Host Group   | Sebastian Gräßl      |          | 01/20/2017 03:01 AM | Puppet integration |                |
| 17973 | Feature  | New    | Normal   | Allow the 'run puppet' button to trigger a Remote Execution Job  | Ivan Necas           |          | 07/10/2018 02:34 PM | Puppet integration |                |
| 17812 | Refactor | New    | Normal   | Import puppet classes should show which classes and parameters are being deleted   | Ori Rabin            |          | 12/21/2016 05:07 AM | Puppet integration |                |
| 16353 | Feature  | New    | Normal   | Move Smart class parameters to Hiera   | Michael Hurn         |          | 08/29/2016 03:54 PM | Puppet integration |                |
| 15867 | Bug      | New    | Normal   | Changing puppet environment on the hostgroup page shows all puppet classes   | David Davis          |          | 02/23/2017 03:32 AM | Puppet integration |                |
| 14474 | Bug      | New    | Normal   | Smart Class Parameter : the default value is not defined by environment  | julien ippolito      |          | 05/17/2017 03:45 PM | Puppet integration |                |

| #     | Tracker  | Status | Priority | Subject   | Author               | Assignee        | Updated             | Category           | Target version |
|-------|----------|--------|----------|---|----------------------|-----------------|---------------------|--------------------|----------------|
| 13102 | Bug      | New    | Low      | Exclude class from certain hosts  | Phillip Schichtel    |                 | 07/10/2018 02:34 PM | Puppet integration |                |
| 11661 | Bug      | New    | Low      | Puppet importer class should return a warning when a class is defined twice   | Robert Walter        |                 | 09/02/2015 08:31 AM | Puppet integration |                |
| 11248 | Feature  | New    | Normal   | Add 'agent-specified' Puppet environment option for hosts   | Josh Baird           |                 | 08/18/2015 09:07 AM | Puppet integration |                |
| 9952  | Bug      | New    | Normal   | Foreman does not notify puppet run is successful when running on more that one node                                     | Jeff Sparrow         |                 | 03/14/2016 07:39 AM | Puppet integration |                |
| 9600  | Refactor | New    | Normal   | Remove Puppet specific options from top bar   | Daniel Lobato Garcia |                 | 03/01/2015 01:48 PM | Puppet integration |                |
| 9599  | Refactor | New    | Normal   | Remove Puppet specific fields from Host/Host group  | Daniel Lobato Garcia |                 | 03/01/2015 01:46 PM | Puppet integration |                |
| 9596  | Tracker  | New    | Normal   | Extract Puppet functionality to a plugin  | Daniel Lobato Garcia |                 | 05/20/2017 05:28 AM | Puppet integration |                |
| 9541  | Bug      | New    | Normal   | UTF8 characters don't work on parameters  | Daniel Lobato Garcia |                 | 05/20/2017 05:28 AM | Puppet integration |                |
| 8754  | Bug      | New    | Normal   | Foreman passes incorrect case sensitivity on "Run Puppet" to mco provider   | Jeff Sparrow         |                 | 01/07/2015 09:17 AM | Puppet integration |                |
| 8163  | Feature  | New    | Normal   | As a user, I should not be required to set a puppet environment on a host.  | Eric Helms           |                 | 10/30/2014 04:35 AM | Puppet integration |                |
| 7935  | Bug      | New    | Normal   | Foreman seems to always re-import some classes  | Anthony Lapenna      |                 | 10/15/2014 09:52 AM | Puppet integration |                |
| 7921  | Bug      | New    | Normal   | Inherit environment from parent shows all Puppet classes on a host group  | Marcus Söderberg     |                 | 10/13/2014 10:01 AM | Puppet integration |                |
| 7773  | Feature  | New    | Normal   | Import puppet modules from puppet forge and copy them to proxies  | Social Point         |                 | 10/02/2014 08:10 AM | Puppet integration |                |
| 7490  | Bug      | New    | Normal   | Foreman does not check for Environment match when assigning Host to HostGroup   | Jeff Sault           |                 | 04/20/2016 11:03 AM | Puppet integration |                |
| 7086  | Feature  | New    | Normal   | Puppet modules being skipped or failed to import should be reported or noticed by foreman.                              | Roy Williams         |                 | 09/27/2016 05:47 AM | Puppet integration |                |
| 6947  | Bug      | New    | Normal   | Show full class name when importing puppet modules  | Todd Courtnage       |                 | 08/06/2014 11:16 AM | Puppet integration |                |
| 6920  | Feature  | New    | Normal   | enable 'Run Puppet' per individual host rather than as setting  | Thomas McKay         |                 | 08/05/2014 03:11 AM | Puppet integration |                |
| 6836  | Bug      | New    | Normal   | Replacing module with same name doesn't update params   | Jon Skarpeteig       |                 | 07/30/2014 07:15 AM | Puppet integration |                |
| 6791  | Feature  | New    | Normal   | Foreman must accept a list of smart proxies in order to run puppetruns against puppet client through them in HA fashion | Stephen Benjamin     |                 | 08/20/2014 05:13 AM | Puppet integration |                |
| 6417  | Feature  | New    | Normal   | Ability to clone a config group   | Steven Bambling      | Sebastian Gräbl | 11/29/2016 08:19 AM | Puppet integration |                |
| 6416  | Feature  | New    | Normal   | Ability to remove an included puppet class from a nested host group and a host  | Steven Bambling      |                 | 07/10/2018 02:01 PM | Puppet integration |                |
| 5914  | Feature  | New    | Normal   | Allow a host to upload its own facts and reports - Support masterless Puppet  | Trey Dockendorf      |                 | 08/14/2014 06:24 AM | Puppet integration |                |

| #    | Tracker  | Status | Priority | Subject  | Author             | Assignee    | Updated             | Category           | Target version |
|------|----------|--------|----------|--|--------------------|-------------|---------------------|--------------------|----------------|
| 5212 | Feature  | New    | Low      | Certificate and Sign Status of host should be on the individual Hosts page   | Roy Williams       |             | 04/16/2014 02:15 PM | Puppet integration |                |
| 5204 | Bug      | New    | Normal   | support class parameters at the domain and OS levels.  | Jeff Palmer        | Jeff Palmer | 04/15/2014 02:23 PM | Puppet integration |                |
| 5174 | Feature  | New    | Normal   | Possibility to run puppet agent with --tags from foreman UI  | Petter Hassberg    |             | 04/14/2014 08:27 AM | Puppet integration |                |
| 4205 | Feature  | New    | Normal   | wizard for editing class parameters of a host  | Karim Boumedhel    |             | 01/28/2014 02:19 PM | Puppet integration |                |
| 3900 | Bug      | New    | Normal   | Class removed because invalid syntax validation  | Andrei Burd        |             | 09/27/2016 05:47 AM | Puppet integration |                |
| 3835 | Feature  | New    | Normal   | Add description or user friendly name for Puppet classes   | Dominic Cleal      |             | 01/14/2014 12:17 PM | Puppet integration |                |
| 3727 | Feature  | New    | Normal   | Import Puppet class descriptions and metadata from smart proxy   | Dominic Cleal      |             | 11/23/2015 08:56 AM | Puppet integration |                |
| 3668 | Feature  | New    | Normal   | Disallowing of nested environments via host groups.  | Jelle B.           |             | 11/15/2013 02:59 PM | Puppet integration |                |
| 3667 | Bug      | New    | Normal   | Interface does not show a config error when switching host environments when contained classes are no longer available | Jelle B.           |             | 11/15/2013 02:52 PM | Puppet integration |                |
| 3230 | Refactor | New    | Normal   | Move JSON.parse into UI controller rather than currently in class PuppetClassImporter                                  | Joseph Magen       |             | 10/10/2013 09:05 AM | Puppet integration |                |
| 3201 | Feature  | New    | Normal   | Syntax for creating smart variables in the puppet manifests  | Richie Rees        |             | 10/04/2013 03:51 PM | Puppet integration |                |
| 2946 | Bug      | New    | Normal   | Removing a class doesn't remove it from hostgroup that own it  | ohad basan         |             | 08/19/2013 07:59 AM | Puppet integration |                |
| 2873 | Feature  | New    | Normal   | A global Override Option for Puppet classes' parameters  | Samarendra M Hedao |             | 08/05/2013 04:09 AM | Puppet integration |                |
| 2471 | Bug      | New    | Normal   | Optional Input Validator for smart class parameters not saved  | Alexander Chuzhoy  |             | 05/22/2013 07:42 AM | Puppet integration |                |
| 2369 | Bug      | New    | Normal   | Paramaterized classes persist through import after parameters have been removed  | Jeff Palmer        |             | 12/07/2016 05:47 PM | Puppet integration |                |
| 2223 | Bug      | New    | Normal   | Enable_Smart_Variables_in_ENC affects exposing class params in ENC   | Matt Parry         |             | 12/28/2014 11:47 AM | Puppet integration |                |
| 1987 | Feature  | New    | Normal   | Ability to specify meta-parameters on classes, e.g. run stage  | Dominic Cleal      |             | 08/28/2019 09:29 PM | Puppet integration |                |
| 1816 | Feature  | New    | Normal   | Smart-Proxy should revoke and sign certificate when changing puppetca for a host                                       | Romain Vrignaud    |             | 10/17/2013 03:03 PM | Puppet integration |                |
| 1373 | Feature  | New    | Normal   | Support puppet kick (puppetrun) options  | Florian Koch       |             | 03/15/2016 05:45 AM | Puppet integration |                |
| 161  | Feature  | New    | Normal   | No way to indicate multiple puppet intervals   | Dis Connect        |             | 12/06/2012 10:37 AM | Puppet integration |                |
